"TWO SWEETHEARTS OF MINE."

The above is the title of a lovely song which we received from the publishers a few days ago, and the melody and words were so pretty that we can not help but reprint the chorus for our readers:

CHORUS.

One has hair of silvery gray,
The other just like gold,
One is gay and youthful
While the other's bent and old.
But dearer than life are both to me,
And from neither would I part,
One is my mother, God bless her I love her
The other is my sweetheart.

This song complete, words and music, will be sent to any address for 20 cents in silver or stamps, by the Groene Music Publishing Co., 32 E. Fifth street, Cincinnati, O.

In almost every neighborhood there is some one whose life has been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhoea by the use of that medicine. Such persons make a point of telling of it whenever opportunity offers, hoping it may be the means of saving other lives. For sale by Patrick Bros. druggist.

VERNON DOTS.

Business is comparatively dull this week on account of a much needed rain arriving and all hands transplanting in their gardens.

The mill is running regularly, turning out some nice timber and lumber.

Mr. D. I. Heasley has opened up the blacksmith and repair shop Mr. Bland vacated when he moved to Chipley, and is finding enough work to require the help of an assistant.

Mr. T. J. Mobley has fenced in some of his vacant lots on church street, which adds much to the looks of that portion of town.

Mr. J. D. Parish has improved the appearance of his residence lot by putting up a nice picket fence around his yard.

The farmers are complaining no little about the damage the crows are doing, by scratching up their young corn.

The new barge, under the management of Capt. Wyatt Parish, arrived this week with a cargo of naval stores, making connection with the steamer "Vernon" near Miller's Ferry.

We are glad to report that Mrs. B. H. King, nee Miss Birdie Mountain, is convalescent, under the medical attention of our popular and skillful physician, Dr. F. C. Wilson.

Dr. W. E. Coleman, our Representative, was with us Saturday and Sunday, last, and although he could give us no definite information in regard to the Senator at that time, he was very hopeful of our choice—Senator Pasco.

Mr. A. Q. Jones was off in the Bay country this week gathering taxes.

Mr. J. M. Harper visited Chipley this week and reported the amount of improvements, which is noted by all who see Chipley now, and who saw it shortly after the fire.

Several parties went to the Ponds this week fishing, and had splendid luck in catching quite a lot of fish.

I think you are a little hard on your Vernon correspondent. All was too busy last week, and would not even give him an item on account of expending too much time for their business. No sidetrack for him; only run on the main line, and specials sidetrack for him.

REMARKABLE CURE FOR RHEUMATISM.

Kenna, Jackson Co. W. Va.

About three years ago my wife had an attack of rheumatism which confined her to bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. O. by putting in a new set of boxes, and other office fixtures. Mr. Ben Powell did the work with his usual neatness and dispatch. By-the-way, Ben is all 'round man.

What is the matter with that railroad from here to West Bay? The timber alone justifies the expenditure. Bring on your capital and build the road; you will never regret it.

School will close May 5th. A literary and musical entertainment will be given on Saturday night, May 6th. All are cordially invited to attend.

THE BEST IN THE WORLD.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by Patrick Bros. druggist
